DECLARATION OF CONDOMINIUM

OF

OMEGA CONDOMINIUM NO. 9

The undersigned, OMEGA CONDOMINIUM NO. 9, INC., a Florida corporation not for profit, as Developer, and as Declaror of this Declaration of Condominium; joined by RISSMAN DEVELOPMENT CORPORATION, a Florida corporation; FPA CORPORATION, a Delaware corporation; SANFORD RISSMAN, individually and as Trustee; and RAINY S. RISSMAN, being the owners of all interests in and to the lands described hereinbelow, do hereby make this Declaration of Condominium pursuant to Chapter 718 of the Florida Statutes, as amended to the date hereof, hereinafter called the "Condominium Act" and the Common Law of the State of Florida, and submits the said lands and improvements thereon to condominium ownership and declares as follows:

1. The name by which the condominium shall be identified is OMEGA CONDOMINIUM NO. 9. The name of the condominium association shall be OMEGA CONDOMINIUM NO. 9, INC., a non-profit Florida corporation. Said corporation is the Developer of the subject Condominium project. Its address shall be 7100 N. W. 17 Street, Plantation, Florida.

2. The individual condominium ownership shall consist of the units designated in Exhibit "A" attached hereto.

3. The legal description of the property which shall be the subject of this Declaration is set forth in Exhibits "B-I" and "B-II" attached hereto.

4. The definition and designation of each of said units, their relative locations and approximate dimensions and the identification of the common elements are set forth in Exhibits "B-I" and "B-II" attached hereto. However, such definition and designation may be amended by the filing of such additional plans as may be required to adequately describe the improvements of the condominium and in order to show the completion of improvements. Such completion may be shown by a certificate of an architect, engineer or surveyor certifying that the contemplated improvements have been constructed substantially as herein represented, or if not so constructed, then designating the changes made. Such plans or certificate, when signed and acknowledged by CONTRACTOR (Rissman Development Corporation and FPA Corporation, joint-venturers) and the construction lender (Developer hereby confirming said powers to said parties and appointing them its irrevocable attorney-in-fact for such purposes), shall constitute an amendment of this Declaration without necessity of joinder or ratification by the unit owners, or lienors, or mortgagees of units or of the Association, whether or not elsewhere required for amendment. Such right to amend shall likewise apply to the interior design and arrangement of all units, and to the boundaries between units, so long as Contractor owns the units so altered. (An amendment of this Declaration by reflecting such alteration of apartment plans by Contractor need be signed and acknowledged only by the Contractor and construction lender as aforesaid.) No such change shall increase the number of units nor alter the boundaries of the common elements without amendment of this Declaration by approval of the Association, unit owners and owners of mortgages in the manner elsewhere provided.

5. The percentage of ownership of each of said condominium units as related to the common elements and as to the division of any proceeds and common surplus and expenses hereunder is set forth in Exhibit "A" attached hereto.

6. Each condominium unit shall carry the right to one vote in all matters affecting the condominium regardless of the percentages as designated in Exhibit "A". Membership of the Unit Owners and their voting rights in the Association are specifically provided in the By-Laws, a copy of which is attached hereto as Exhibit "C". The Association is a Florida Corporation not for profit and has been created by Certificate of Incorporation attached hereto as Exhibit "D".

7. This Declaration of Condominium may not be amended except as specified in paragraph 4 above, unless such amendment is in writing and recorded in the Public Records of Broward County, Florida, and is joined in by at least 75% of the ownership. Should any condominium unit be encumbered at the time of such consent then the joinder of any mortgagee or lienor upon such condominium unit is necessary in order to render such units' vote effective. The consent of all first mortgagees and the long-term lessor identified in paragraph 11 shall be required prior to any amendment becoming effective. The fact that the requisite percentage of ownership has joined in any such amendment and the concurrent fact that all mortgagees or lienors have joined to make each particular consent effective may be evidenced by the written affidavit of an attorney at law engaged in the practice of law in Florida and who is designated by the Condominium Association to make such certification and the recordation of such designation and attorney's affidavit shall be proof of the effectiveness of such amendment and no party shall be required to make further investigation or search as to the effectiveness of such amendment.

8. A record of all restrictions and limitations as contained in Exhibits attached hereto, together with any rules and regulations as may be from time to time promulgated by the Association shall be maintained by the Secretary of the Association and by this Declaration the Secretary of the Association is empowered to issue his certification as to what By-Laws, rules, regulations, or other restrictions are then in force on behalf of the Association or unpaid assessments outstanding against a unit and any party receiving and relying upon such certification without actual knowledge of any other restrictions may rely thereupon in dealing with the Association or any unit owner.

9. The ownership of each condominium unit designated herein is subject to a lien by the Association for the payment of all common charges and assessments the collection of which may be enforced in any manner desired by the Association and permitted by law without abatement of remedy.

10. Nothing contained herein shall constitute a limitation on the right of sale of units owned by Contractor under their indemnification covenants as set forth in the Construction Agreement with the Association but which rights shall become null and void as to each unit upon its sale to third persons nor shall it constitute a limitation on the voting rights of Contractor as set forth therein.

11. As a covenant running with this Condominium and as a specific condition to submitting the property to condominium ownership, the Association and the individual unit owners, shall be bound to observe and perform all of the duties, obligations and liabilities on the part of the Lessee to be observed and performed as is set forth in that certain Long-Term Lease dated 11/20/84, 1984 between Sanford Rissman et al., as Lessor, and Omega Condominium No. 1, Inc., as Lessee, and recorded under Clerk's File Number 79-16223 of the Public Records of Broward

RE R148 me843

County, Florida. The monies to be paid pursuant to the terms of said Lease shall be deemed a common expense subject, however, to the limits of liability of each unit owner as is set forth in said Lease. However, any first mortgagee gaining title to any unit by foreclosure, deed in lieu of foreclosure or any other method of enforcing its lien rights shall be exempt from any charge thereunder or any other charge or assessment levied by the Association accruing prior to obtaining title, as allowed by Section 718.116(6)(a).

12. Insurance. Insurance (other than title insurance and insurance upon the Recreational Facilities), which shall be carried upon the condominium property and the property of the unit owners, shall be covered by the following provisions:

A. Authority to Purchase. All insurance policies upon the condominium property shall be purchased by or on behalf of the Association for the benefit of the Association, and in the case of insurance covering damage to the condominium building and its appurtenances, also for the benefit of unit owners and their mortgagees as their interest may appear and provisions shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of unit owners. In the case of insurance policies covering damage to the condominium building and its appurtenances, the kind of such policies and the insurance companies issuing the same shall be subject to the approval of the bank, life insurance company or savings and loan association holding the greatest dollar amount of first mortgages against units in the condominium. Such policies and endorsements thereon shall be deposited with the Insurance Trustee. It shall not be the responsibility or duty of the Association to obtain insurance coverage upon the personal liability, personal property or living expenses of any unit owner but the unit owner may obtain such insurance at his own expense provided such insurance may not be of a nature to affect policies purchased by the Association. Unit owners shall furnish the Association with copies of all insurance policies obtained by them.

B. Coverage.

(1) Casualty. The building and improvements upon the land and all personal property included in the common elements shall be insured in an amount equal to the maximum insurable replacement value. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage; and such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the building on the land, including but not limited to vandalism and malicious mischief.

(2) Public liability. In such amounts and such coverage as may be required by the Board of Directors of the Association and with cross liability endorsement to cover liabilities of the unit owners as a group to a unit owner but no less than \$100,000/\$100,000.

(3) Workmen's Compensation Policy. To meet the requirements of law.

(4) Other. Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

C. Premiums. Premiums for all insurance shall be common expense. PREMIUMS shall be paid by the Association.

67

D. Insurance Trustee Share of Proceeds. All property casualty insurance policies purchased by the Association shall be for the benefit of the Association and the unit owners and their mortgagees as their interests may appear and shall provide that all proceeds covering property losses shall be paid to an Insurance Trustee, being an institution having offices in Dade or Broward County, Florida, and possessing trust powers as may from time to time be approved by the Board of Directors of the Association, which trustee is herein referred to as "Insurance Trustee"; provided, however, that the foregoing right of the Board of Directors to select the Insurance Trustee shall be subject to the approval of the bank, the insurance company or savings and loan association holding the greatest dollar amount of first mortgages against units in the condominium. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the same in trust for the purposes elsewhere stated herein and for the benefit of the unit owners and their mortgagees in the following shares but which shares need not be set forth on the records of the Insurance Trustee:

(1) Common Elements. Proceeds on account of damage to common elements - an undivided share for each unit owner of the condominium, such share being the same as the undivided share in the common elements appurtenant to his unit.

(2) Units. Proceeds on account of damage to units shall be held in the following undivided shares:

(a) When the condominium building is to be restored--for the owners of damaged units in proportion to the cost of repairing the damage suffered by each unit owner, which cost shall be determined by the Board of Directors of the Association.

(b) When the condominium building is not to be restored--for the owners of units in the condominium building in undivided shares being the same as their respective shares in the common elements thereof.

(3) Mortgagees. In the event a mortgagee endorsement has been issued as to a unit, the share of a unit owner shall be held in trust for the mortgagee and the unit owner as their interests may appear.

E. Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners in the following manner:

(1) Expense of Trust. All expenses of the Insurance Trustee shall be first paid or provisions made therefor.

(2) Reconstruction or Repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners, remittances to unit owners and mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

(3) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

(4) Certificate. In making distribution to unit owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association made by its president and secretary or by the Association's managing agent as to the names of unit owners and their respective shares of the distribution.

F. Association as Agent. The Association is hereby irrevocably appointed agent, with full powers of substitution for each unit owner and for each owner of any other insured interest in the condominium property (other than the leased Recreational Facilities) to adjust all claims arising under insurance policies purchased by the Association, to bring suit thereon in the name of the Association and/or other insureds and deliver releases upon payments of claims, and to otherwise exercise all of the rights, powers and privileges of the Association and each owner of any other insured interest in the condominium property as an insured under such insurance policies. Subject, however, to prior approval by the first mortgagee holding the majority in dollar amount of mortgages on the subject property.

G. Leased Recreational Facilities. The insurance which shall be carried upon the leased recreational facilities shall be exclusively governed by the terms of the lease thereof including but not limited to the authority to purchase coverage premiums and distribution of proceeds. The insurance trustee provided for herein shall have no claim whatsoever to any proceeds from such insurance.

13. The Condominium created hereby is one of a series of condominiums, apartments and related recreational facilities, the uniform development, maintenance and operation of which is essential to the creation and maintenance of a high-class community; therefore, the rights and obligations set forth herein shall be subject to the uniform rules and regulations of an Improvement Committee and to the Maintenance and Management Agreements of this Condominium. Any charges thereunder may be designated as a common expense and so assessed against each unit.

14. The unrestricted Common Elements, excluding assigned parking spaces, are hereby declared to be subject to a perpetual non-exclusive easement in favor of all of the unit owners in this Condominium and in favor of all of the unit owners within the group of buildings in all of the Omega Condominium development for their use and for the use of their immediate families, guests, invitees or licensees for all proper and normal purposes, including, but not limited to, ingress and egress, to provide power, electric, telephone, sewer, water, and other utility services and lighting facilities, irrigation, television transmission facilities, security service and facilities in connection therewith, and the like, and for the furnishing of services and facilities for which the same are reasonably intended. The Improvement Committee shall have the right to establish the rules and regulations governing the use and enjoyment of the just described easements. The Association, further, for itself, its nominees, and the Improvement Committee herein described reserves the right to-

impose upon the Common Elements henceforth and from time to time such easements and cross-easements for any of the foregoing purposes as it deems to be in the best interest of, and necessary and proper for, the owners of apartments and lands of the Omega Condominium Development. In addition, the Property shall be subject to easements for encroachments which now exist or hereafter exist, caused by settlement or movement of the building, or caused by minor inaccuracies in building or rebuilding.

IN WITNESS WHEREOF, the declaring owners have hereunto set their hands and seals at Plantation, Broward County, Florida, this 15th day of March, 1977.

If the Association waives, in writing, its right to purchase the unit under the foregoing option or if the Association fails to exercise such option within the thirty (30) day period, the member may sell his unit pursuant to said bona fide written offer to any person who has been duly approved by the Association as a member.

Thereafter, the Association shall have the right to rent the unit on behalf of the owner, the proceeds of which shall go to the Association to defray all defaulted payments plus the cost of re-renting, attorney's fees and other expenses incurred in connection with such default.

The Association shall further have the right of foreclosure against the owner for such charges and the total amount of such charges including reasonable attorney's fees shall be considered a prior lien upon the property subject only to municipal taxes and assessments or any mortgage recorded prior to the notice of default plus any of the following sums:

ARTICLE II

TERM:

The term of this Lease shall be for a period of time commencing on the date of execution hereof and continuing up to and including the 1st day of December, 1978, unless sooner terminated by reason of cancellation for the default of Lessee, or by reason of any other act or fact which is legally competent to effect and which does effect a termination of this Lease.

ARTICLE III

RENT:

A) The rent hereunder shall commence on the date in which any building is completed upon the property (and the evidence of such completion shall be the issuance of a Certificate of Occupancy or a temporary Certificate of Occupancy by the appropriate governmental authorities) or the date which is two years from the date of this instrument, whichever date occurs first. The parties agree that they will execute any documents in recordable form to evidence the actual date of commencement of this rent. Thereafter, the Lessee shall pay unto the Lessor a sum of rent equal to a base rent of \$20 per month for each studio; \$22 per month for each 1-bedroom 1-bath; \$24 per month for each 1-bedroom 1 1/2-bath; \$26 per month for each 2-bedroom 2-bath; \$28 per month for each 3-bedroom 2-bath or larger apartment for Buildings 1 through 9 to be erected on said property; however, in no event shall such rent be less than \$1,888 per month for Buildings 1 through 4 and no less than \$782 per month for Buildings 5 through 9. For Buildings 10 and 11 the Lessee shall pay unto the Lessor a sum of rent equal to a base rent of \$22 per month for each studio; \$24 per month for each 1-bedroom 1-bath; \$26 per month for each 1-bedroom 1 1/2-bath; \$28 per month for each 2-bedroom 2-bath; \$30 per month for each 3-bedroom 2-bath or larger apartment, to be erected on said property; however, in no event shall such rent be less than \$1,092 per month for said Buildings. (Computation example: Should a building consist of 24 2-bedroom 2-bath units and 4 3-bedroom 2-bath units, the total rent per month would be \$782), until July 31, 1984. On August 1, 1984 and each month for the ensuing 5 years, the rent shall be raised \$1.00 per month per unit. Said rental shall be raised an additional \$1.00 per month during each ensuing 5-year periods of this Lease. Should the Lessee use the premises leased herein for a condominium apartment project, then it may allocate the total rent due hereunder among the various condominium apartments, which allocation shall be made on a mathematically equal basis, as to each type of unit as identified above, provided that such allocation shall in no wise affect the security of the payments required hereunder and provided further that the allocated rents are designated as a common charge or common expense as defined in the Florida Condominium Law (statutory or common) against each and every of said apartments. Such allocation shall be in a reasonable form and shall become a part of this Lease; provided, however, that such privilege of allocation shall not relieve the Lessee or its assignees from the burden of making collection of the individual apartment rentals and F O R T I T U D E

then to Lessor at the time required herein, or in using its best efforts to effect such collections and to reporting promptly to Lessor any and all delinquencies or deficiencies thereunder.

B) Rent shall be payable at such place or places as the Lessor may specify by written notice. All rents shall be payable without notice or demand. Presently, and until further notice, rents shall be payable to the Lessor at 2027 N. E. 120 Road, North Miami, Florida.

C) All rents shall be payable in current legal tender of the United States as the same is constituted by law at the time the said rents become due. If at any time the Lessor accepts anything other than current legal tender as rent, such fact and such acceptance shall not be construed as varying or modifying the provisions of this paragraph as to any subsequently maturing rent.

D) The rent reserved hereunder entitled Lessee to the use of the recreational facilities to be built upon the non-exclusive area, Exhibit 'B' attached hereto, hereinafter referred to as the Main Recreation Area, together with such other facilities as may be erected from time to time. In the event that the Main Recreation Area is not substantially completed at the time of the completion of the contemplated apartments or condominiums on the property described in Exhibit 'A' attached hereto, Lessor and Lessee have agreed that there shall be no decrease of or offset against the rent reserved hereunder, nor shall there be any action for damages or any other cause of action or other event which shall in any manner amend any of the provisions set forth herein and especially for the rent reserved hereunder, the parties having agreed that the reduction of rent and the allocation of maintenance charges as hereinafter set forth shall be in complete and total satisfaction of such non-completion.

In the event of non-completion of the Main Recreation Area as set forth hereinabove, the parties agree that the rent reserved hereunder shall be stated in toto, until such recreation area is certified to be substantially complete by the supervising architect. Said reduction in rent shall be in full and complete satisfaction of any claim by any Lessee hereunder.

No dispute as to the allocation of maintenance and upkeep between two or more buildings or of any other nature shall ever be deemed to give any right to hold back or offset against any rent due hereunder but said dispute shall be resolved by the Recreation and Maintenance Committee to be formed by and composed of the Directors of the various buildings.

ARTICLE IV

PAYMENT OF TAXES:

A) Lessee covenants with Lessor that Lessee will promptly pay all taxes levied or assessed for every year of this lease, including the calendar year in which the lease payments commence; this obligation shall extend to and include all of the taxes levied during the term of the lease by all taxing authorities, including not only ad valorem and personal property taxes, but also special assessments and liens for public improvements and including, in general, all taxes, tax liens or liens in the nature of taxes which may be assessed

RE 8148 03

or imposed against the premises, including the land and all buildings, furniture, furnishings, fixtures, and improvements, which the Lessee may hereafter construct or build or bring upon the devised premises. Nothing herein contained shall be construed as making it obligatory upon the Lessee to pay taxes which may be levied against personal property which may belong to any subtenants of the Lessee.

B) Nothing contained in this Article shall obligate the Lessee to pay income, inheritance, estate or succession tax or any tax in the nature of any such described taxes, or any other tax which may be levied or assessed against Lessor, with respect to or because of the income derived from this Lease, nor shall Lessee be deemed obligated hereby to pay any corporation, franchise, or excise taxes which may be assessed or levied against any corporate successor or successors in interest of Lessor.

C) The parties agree that Lessee shall pay the taxes and other charges as enumerated in this Article and shall deliver official receipts to Lessor at least sixty (60) days before the tax would become delinquent. If, however, Lessee desires to contest the validity of any tax or tax claim, Lessee may do so without being in default hereunder, provided Lessee gives Lessor notice of Lessee's intention to do so and furnishes Lessor with a surety bond in one and one-half times the amount of the tax contested. If, however, Lessee contests the propriety of the imposition of such taxes and institutes proceedings appropriately so that effect not later than sixty (60) days before the said taxes would become delinquent for nonpayment, and if, upon the occasion of instituting such contest proceedings, Lessee pays into the registry of the court an amount which is sufficient to effect payment of the taxes if the adjudication in the said contest proceedings is against Lessee, then, so long as Lessee effects such payment into court and secures the amount so paid to be maintained at such figure as is sufficient to discharge the taxes in the event of an adverse adjudication, Lessee need not furnish the bond. None of the grace, notice, or default periods provided for in this Lease shall ever operate so as to diminish the 60-day period hereinabove specified in this paragraph. If, while any such amount is so deposited, this Lease should be cancelled for the default of Lessee, then Lessor shall immediately succeed to the ownership of the amount so deposited; and this provision is and will be the authority of Lessor to apply to the court or to any other official authorized to direct the disposition of such amount, for recognition of the fact or for the entry of an order finding and holding it to be the fact that the property right in such amounts so paid, or the residuary interest therein, has passed from Lessee to Lessor. If at any time after Lessee shall have furnished the bond referred to in this paragraph, and before liability on the said bond shall have been discharged, this Lease is cancelled, the fact of such cancellation shall not be construed as affecting in any respect the terms and conditions of and the liability upon the said bond.

D) In case Lessee shall fail, refuse or neglect to make any of the payments required herein, then Lessor may, at his option, and after five (5) days' written notice to Lessee as provided herein (if such notice can be given without creating a default in the payment of the debt), pay the same and the amount or amounts of money so paid, including reasonable attorneys' fees and expenses which might have been reasonably incurred because of or in connection with such payments, together with interest on all of such amounts at the highest

legal rate, shall be an obligation of Lessee, for the immediate nonpayment of which Lessee shall be deemed in default hereunder, with the same consequences as though the default consisted in the nonpayment of an installment of rent which had then matured and become past due.

1) In spite of all of the foregoing, however, the parties understand and agree:

- (1) As regards taxes for the year of execution of this Lease, Lessee shall pay them no later than February 1 of the succeeding year; and when the Lessee shall have paid such taxes, Lessor will reimburse Lessee for that proportion of the amount so paid by Lessee in effecting the payment of the said taxes for the period from January 1, to the date of this Lease; and any such reimbursement upon Lessor; and
- (2) Taxes for the last year of this Lease shall be prorated on the same basis.

ARTICLE V

LESSOR'S INTEREST NOT SUBJECT TO MECHANIC'S LIENS:

A) All persons are put upon notice that the Lessee shall never, under any circumstances, have the power to subject the interest of Lessor to any mechanic's or materialmen's liens of any kind.

B) All persons who may hereafter, during the life of this lease, furnish work, services and/or materials to the premises upon the request or order of Lessee or any person claiming under, by, or through Lessee, must look solely to the interest of Lessee, and not to that of Lessor.

C) Lessee covenants and agrees with Lessor that Lessee will not permit or suffer to be filed or claimed against the interest of Lessor in the demised premises during the continuance of this Lease, any lien or liens of any kind (excepting for the mortgage or mortgages which may be created pursuant to the subordination privilege hereinafter referred to); and if any such lien be claimed or filed, it shall be the duty of the Lessee, within twenty (20) days from the filing of the claim, to cause the premises to be released from such claim, in any way which is competent legally to effect the release of Lessor's interest in the premises from the said claim.

ARTICLE VILESSOR'S LIEN FOR RENT:

Lessor shall have a first lien, paramount to all others, on every right and interest of Lessee in this Lease and on the buildings now or hereafter on the premises and on the furnishings and equipment, fixtures, and personal property of every kind and on the equity therein, brought on the premises by Lessee, which lien is granted for the purpose of securing the payment of rents, taxes, assessments, charges, liens, penalties and damages herein covenanted to be paid by Lessee, and for the purpose of securing the performance of all covenants, conditions, obligations, and agreements of this Lease, to be performed and observed by Lessee; subject, only, to any mortgage which Lessor may execute pursuant to the subordination privilege hereinafter contained. The provisions of this paragraph shall sever be construed as being in limitation of Lessor's lien for rent which is now accorded unto Lessors against goods of Lessees and their sublessees by the Law of Florida, as such law now exists.

ARTICLE VIIINDEMNIFICATION OF LESSOR AGAINST LIABILITY:

A) Lessee covenants and agrees with Lessor that Lessee will indemnify and save harmless Lessor and the demised premises against any claims, debts, demands, or obligations which may be made against Lessor or against Lessor's title in the premises, arising in connection with the making of this Lease and the ownership by Lessee of the interest created hereby; and if it becomes necessary for Lessor to defend any action seeking to impose any such liability, Lessee will pay Lessor all costs and attorneys' fees incurred by Lessor in effecting such defense in addition to any other sums which Lessor may be called upon to pay by reason of the entry of a judgment against Lessor in the litigation in which such claim is asserted; provided, however, that Lessor shall have first given Lessee written notice of such action as is provided for herein.

B) From the commencement date of this Lease, Lessee will cause to be written policies of insurance in the form generally known as public liability and/or owner's landlord and tenant policies, insuring Lessee and Lessor against any and all claims and demands made by any person or persons whomsoever for injuries received or property damage incurred in connection with the operation and maintenance of the improvements and buildings located on the demised premises or for any other risk insured against by such policies, which policies must be written and maintained within limits of not less than \$100,000.00 for damages incurred or claimed by any one person and for not less than \$300,000.00 for damages incurred or claimed by more than one person and \$50,000.00 for property damage. At all times while there are boilers or elevators in the improvements on the demised premises, Lessee shall also maintain adequate boiler insurance and elevator insurance policies. All of the policies referred to in this paragraph shall be placed with and carried by responsible insurance companies which are authorized to do business in the State of Florida. Where there exists a mortgage made pursuant to the exercise of the subordination privilege hereinafter contained, then the judgment of such mortgagee as to the sufficiency of any insurance companies as being "responsible" within the meaning of this paragraph shall be binding. In the absence of any such mortgage, the judgment of Lessor as to

RE 1143 06

whether such insurance companies are "responsible" within the meaning of this paragraph shall be binding upon the parties. All such policies shall name Lessee and Lessor as their respective interests may appear as the persons assured by such policy or policies and the original or a true copy of each of such policies shall be delivered by Lessee to Lessor promptly upon the writing of such policy or policies, together with adequate evidence of the fact that the premiums shall be paid by Lessee at least thirty (30) days before the expiration of any coverage, and in time to assure Lessor that such coverage will be carried continuously and without intermission. Should any of such policies not be procurable before completion of the structure, then Lessee must furnish interim policies in an amount sufficient to cover the value of the work in process. Lessee may pay the premiums of any insurance required hereunder in installments.

ARTICLE VIII

CASUALTY INSURANCE PROVISIONS:

- A) Lessee covenants and agrees with Lessor that Lessee will keep insured all buildings and improvements and personal property upon said devised premises, in good and responsible insurance companies authorized to do business in Florida, or in such companies as shall have been approved by any mortgagee holding a mortgage which shall have been made pursuant to the exercise of the subordination privilege herein-after contained, for protection against all loss or damage to the said property by fire and extended coverage; and wherever the doctrine of coinsurance might apply to any such insurance, then the amount of the insurance so carried by Lessee will at all times be sufficient to prevent coinsurance on the part of Lessor and Lessee; and all such policies shall be payable, in the event of loss, jointly to Lessor and Lessee, as their respective interests may appear.
- B) From the inception of any construction or alteration work which Lessee may affect on the devised premises, Lessee will cause builder's risk policies to be written in compliance with the provisions of this paragraph.
- C) The originals of all of the policies required of Lessee shall be delivered to Lessor along with receipted bills showing payment; but nothing herein contained shall be construed as prohibiting Lessee from financing the premiums where the terms of the policies are for one (1) year or more, and in such event the receipts which Lessee must deliver to Lessor from time to time, must evidence it to be the fact that the installment premium payment or payments are paid at or before their respective maturities. Where there is a mortgage on the premises created pursuant to the subordination provisions contained in this lease and where, under the terms of such mortgage or mortgages, it is obligatory upon Lessee to deliver the originals of such policies to the mortgagee, then Lessee shall deliver such originals to the mortgagee, and shall deliver to Lessor certificates of such policies.
- D) In the event of any destruction by fire, windstorm, or other casualty for which insurance will be payable, all sums so paid shall be deposited in a joint account of Lessor and Lessee, in a bank located in Florida, designated as such by Lessor and shall be made available to Lessee for the reconstruction or repair of any building or buildings damaged or destroyed by fire, windstorm or other casualty for which insurance money shall be payable, and shall be paid out by Lessor and Lessee on the estimates of a licensed architect employed by Lessee, having

EE 8148 MAR 07

supervision of such reconstruction or repair and at a reasonable cost therefor; provided, however, that it shall be the duty of Lessee, at the time of creating such joint bank account and from time to time thereafter until the work of reconstruction or repair shall have been completed and paid for, to afford to Lessor adequate evidence of the fact that at all times the undischarged portion of the fund in said joint bank account is sufficient to pay for the work of reconstruction or repair in its entirety, and is sufficient to procure receipted bills and full and final waivers of lien when the said work shall have been completed and done. All of such work shall be effected, completed, and paid for as promptly as the exercise of due diligence by Lessee makes possible and in any event it shall be completed within four (4) months after the time when the loss or damage first took place; but such period shall be enlarged by any delays caused without fault or neglect on the part of Lessee, by Act of God, strikes, lockouts, or other conditions which are not attributable or are not caused by Lessee's default or neglect to exercise due diligence. The work, when completed, shall restore the premises to good condition, and, in any event, the scope of such work shall be sufficient so that the premises, as restored and rebuilt, shall have a value which is not less than the value which the premises had prior to the loss or damage which made such repairs or reconstruction necessary. In effect, the parties intend that while Lessee shall have direction and decision regarding the scope and nature of repairs or reconstruction, still Lessee shall never have power, in connection with effecting repairs or reconstruction, to diminish the security which the improvements afforded to Lessor.

E) If at any time while the joint bank account provided for herein contains any insurance proceeds, Lessee is in default under this lease, then Lessor shall immediately be entitled to receive these proceeds from the said joint bank account to cure such default unless the mortgagee of any mortgage made pursuant to the exercise of the subordination privilege hereinafter contained elects, under the terms of such mortgage, to receive any part or all of the proceeds of such insurance by way of application upon the said mortgage. In either of such events, it shall be obligatory upon Lessee immediately to reimburse the joint bank account with a sufficient sum of money to assure Lessor that the joint bank account will, at all times, contain sufficient funds to pay all of the costs of reconstruction and repair. If after the said work of reconstruction or repair shall have been completed and paid for, there remains any money in the joint bank account, and should this lease be in good standing such balance shall be paid to Lessee. If at any time while the joint bank account contains any undischarged sums the lease is cancelled for Lessee's default, then the undischarged portion of the joint bank account shall be and become immediately the property of Lessor as liquidated and agreed-upon damages for such default and for such cancellation.

F) If, while any mortgage created pursuant to the exercise of the subordination privilege is outstanding and remains unpaid, the proceeds of any such insurance policies become payable and if such mortgagee becomes entitled to and does require the payment to the mortgagee of the proceeds of such insurance policies, such fact shall not alter the obligation of Lessee to effect repairs and improvements in the manner hereinabove listed and to afford Lessor evidence of the fact that the mortgagee is complying with such obligation. This provision is contained

herein because the parties are aware of the fact that if the mortgagee exercises this privilege, it will have the effect of diminishing the mortgage debt, the obligation to pay, which is and will be the primary obligation of Lessee; and therefore, in such event, Lessee must make its own arrangements for the assembling or acquiring of the moneys necessary to effect such repairs, restoration or rebuilding, without being relieved or released therefrom in any particular by reason of the fact that the proceeds of any insurance policies were, in fact, paid to the mortgagee.

Anything herein contained to the contrary notwithstanding, the policies of insurance provided for herein, may contain a clause providing that any loss shall be payable to the holder of any mortgage in which Lessor has joined to be distributed in the manner set forth above. In any event, the provisions of such mortgage (s) and the policy of the mortgage lender (s) shall govern as to insurance proceeds. In addition, in the event that the mortgagee collects any such sums and applies them in payment or in reduction of the mortgage debt owed to the mortgagee, then, in such case, Lessor agrees that Lessor will join with Lessee in the execution of a mortgage to be obtained by Lessee at Lessee's sole expense, in the amount so credited from the collection by the mortgagee of said insurance funds, and the sum procured by the execution of the mortgage by Lessor and Lessee shall be delivered in escrow to a duly-established Florida bank for the purpose of repairing, rebuilding, and reconstructing the improvements in accordance with and in the manner as provided herein for the rebuilding and reconstruction, it being understood that such mortgage shall bear similar interest and require similar payments as the mortgage being reduced or satisfied.

(3) None of the terms or provisions contained hereinafter regarding the "splitting" of the lease and the payments thereunder for the conversion of any building into a condominium shall apply as to the insurance coverage provided for herein. All insurance shall at all times be kept on the buildings as a whole, and all actions or rights thereunder shall be taken with the buildings as a single entity.

ARTICLE IX

LESSOR'S DUTY TO PAY INSURANCE PREMIUMS:

A) Lessee covenants and agrees with Lessor that the Lessee will pay the premiums for all insurance policies which Lessee is obligated to carry under the terms of this Lease and will deliver the said policies and the evidence of payment to Lessor within the time hereinabove prescribed failing which Lessor may, at Lessor's option, procure the said insurance itself, and the Lessee will owe Lessor reimbursement therefor immediately; but such facts will never be construed as constituting a waiver by Lessor of the default in the Lease thus committed by Lessee.

ARTICLE X

ASSIGNMENT:

A) At all times while Lessee is not in default, this lease is and will be assignable; provided, however, that assignment of Lessee's interest may be made only in the manner and in accordance with the provisions hereinafter contained in this Article.

B) An assignment of Lessee's interest in this Lease shall be valid only if it is accomplished by a written instrument of unconditional assignment by the then recorded owner of

RE 8148 MAR 69

Lessee's interest in this Lease to an assignee (or to assignees, as tenants in common) of the entire Lessee's interest in the within Lease, joined in by the said assignee, in which instrument the assignee shall expressly assume and agree to perform each and every the covenants of this lease. Said assignment shall be valid only from and after the time when a signed counterpart of such instrument of assignment and assumption shall have been delivered to Lessor and another signed counterpart thereof shall have been filed among the public records. If the instrument of assignment does not specify a new place for the giving of notice to the assignee, then it shall be deemed that the place for the giving of notice to the assignee is at the demised premises.

C) Lessor and Lessee hereby covenant and agree with the other that each will, within ten (10) days after written notice shall have been given that party by the other requiring a statement of the status of the lease, give such statement in writing and truthfully so as to show whether the lease is in good standing, and if it is not, the particulars in which it is not. The failure within said period of ten (10) days to give such written reply shall constitute a representation that the lease is in good standing, which representation any person, within ten (10) days after the expiration of which said 10-day period, may rely upon as being true and correct.

D) The obligations assumed hereunder by Lessor and Lessee are all covenants running with the land and they shall pass successively, upon the occasion of each transfer or assignment of an interest, unto the transferee or assignee and upon the occasion of each such transfer or assignment, the transferor or assignor shall thenceforth be released from any liability hereunder; but the foregoing provisions shall not be construed as releasing a transferor-assignor from an obligation which has accrued and remained undischarged up to the time when such transfer or assignment is made and becomes effective, nor shall an assignor be deemed released from liability hereunder excepting when the assignment shall have been made in strict compliance with all of the relevant provisions contained in this Article.

E) Nothing contained in this Article shall limit the right of Lessee to sublet all or part of the premises, either absolutely or conditionally at any time during the term covered hereby.

ARTICLE XI

CONDEMNATION CLAUSE:

A) It is further understood and agreed that if at any time during the continuance of this Lease, the legal title to the demised real estate or the improvements or building or buildings located thereon or any portion thereof be taken or appropriated through the exercise of the power of eminent domain, there shall be such division of the proceeds and awards in such condemnation proceedings and such abatement of rent and other adjustments made as shall be just and equitable under the circumstances. If Lessor and Lessee are unable to agree upon what division, annual abatement of rent or other adjustments are just and equitable within thirty (30) days after such award has been made or has been deposited in the registry of the court in which condemnation proceedings shall have been had, then the matters in dispute shall, by appropriate proceedings, be submitted to a court having jurisdiction of the subject matter of such controversy for its decision and determination of the matters in dispute. If the legal title to and of all of the demised premises be taken

RE R148 sec 10

4/2/77

24

by condemnation, the Lease shall be cancelled. In making a computation of the Lessor's interest the lease income shall be capitalized at 6%.

B) In general, it is the intent of this Article that upon condemnation the parties hereto shall share in the awards to the extent that their interests, respectively, are depreciated, damaged, or destroyed by the exercise of the right of eminent domain. If, as a result of the condemnation the mortgage of any mortgage created pursuant to the exercise by the Lessee of the subordination privilege contained in this Lease, received any part of the awards in condemnation, such fact shall never be construed as creating any additional right in the Lessee to any other or further subordination privilege or to require the Lessor to join in the execution of any other or further mortgage which would, if executed, encumber the fee simple title to the property denized hereby.

ARTICLE XII

LESSEE'S PRIVILEGE TO BUILD:

A) The Lessee is under no obligation to construct any new building or to do any construction work on the premises other than the work necessary to maintain in good state of repair the building or buildings which from time to time are on the denized premises; and therefore, the remaining provisions of this Article must be read as referring to the scope of a construction project which, if the Lessor elects to do it and if the Lessee performs it in accordance with the terms contained herein, will afford the Lessee the privilege of "subordination" to the extent and in the manner set forth hereafter.

B) "The building project", the performance of which by the Lessee will entitle the Lessee to such right and privileges as have been hereinabove referred to, is the construction upon the denized premises of a rental or condominium apartment of not less than 2 stories and not less than 30 units.

C) Before commencing any work of constructing the building project, the Lessee must:

(1) Deliver to the Lessor a complete set of plans, specifications and drawings for the building project prepared by a licensed architect which plans will disclose that the building or buildings comply fully with all relevant building or construction laws, regulations, ordinances and building code provisions; and, such building or buildings must be constructed in compliance with them; and

(2) Demonstrate to Lessor with reasonable accuracy the cost of the building or buildings which demonstration may be effected by the bona fide bid of any disinterested general or prime contractor who proposes to or bids for the doing of the work; or it may be demonstrated in any other way which is a reasonably accurate estimate of the cost of the building or buildings.

D) Any construction work which Lessee undertakes shall be carried through continuously to completion except by Act of God or the public enemy, by strike, by natural casualty, by governmental restriction upon the availability or use of labor and/or materials or by any other state of facts which shall not have been caused by the fault, default or neglect of Lessee.

RE 81475 11

ARTICLE XIIILESSOR'S JOINDER IN MORTGAGE ("SUBORDINATION PRIVILEGE"):

A) Upon the circumstances and subject to the terms contained in this Article, Lessee may, in conjunction with the construction of the building project, require Lessor to join with Lessee in the execution of a "temporary construction mortgage"; and a "permanent mortgage", if an apartment house is constructed; or, individual apartment mortgages, if a condominium cooperative is constructed.

B) In connection with the within contemplated subordination, "joinder" in the mortgage is intended to mean and include the joinder of the spouse of any person composing the Lessor, or the joinder of any other person or persons as may be legally and necessarily required for title purposes.

C) The "temporary construction mortgage" will be the mortgage to provide funds as a part of the building fund. Lessee may require the joinder by the Lessor in the temporary construction mortgage only if:

(1) Such requirement is made in writing before any work of construction is started; and

(2) The proceeds of the temporary construction mortgage are paid into the building fund or are committed in writing by the temporary construction mortgages to be paid into the building fund upon the demand of the Escrow or Disbursing Agent in compliance with the terms of any construction loan agreement; and

(3) An escrow building fund is created; and

(4) Lessee shall have first procured a commitment from an institutional lender to make the permanent mortgage and shall, simultaneously with the joinder by Lessor in the temporary construction mortgage, assign the commitment to the Lessor upon the condition that if Lessee shall, at the option of the Lessor, have the benefit of the permanent mortgage committed to be made; and should the construction mortgage require an assignment of the commitment for the permanent mortgage as additional security for its construction loan, then and in that event Lessor agrees to assign such commitment to said lender with adequate protection to Lessor that in the event the construction lender will not exercise such commitment prior to thirty (30) days before said commitment will have expired, the lender will reassign such commitment for the permanent mortgage to Lessor; and

(5) The maturity of the temporary construction mortgage is such that it is sufficiently remote to permit time for the completion of the construction and the closing of the permanent mortgage and its retirement out of the proceeds of the closing of the permanent mortgage; and

(6) The commitment to make the permanent mortgage permits, in the judgment of the Lessor whose judgment shall be conclusive, a sufficient length of time to accomplish the completion of the construction work before the time when the commitment obligates the Lessee to close the loan or else lose the commitment; and

(7) The temporary construction mortgages must be an institutional lender; and

(8) For the purposes of the subordination privilege set forth herein the mortgage given by a Federal Savings and Loan Association which is a combination construction mortgage and permanent mortgage shall be eligible for the subordination and if the procedures for disbursement of the construction funds are set forth in the form of Building Loan Agreement, customarily used by Federal Savings & Loan Associations in Dade County, Florida, then Paragraphs 1 through 7 hereinabove shall be deemed to have been met.

D) The "permanent mortgage" is the mortgage (or mortgages if a condominium is constructed) which will accomplish Lessee's "permanent financing", as distinguished from the temporary construction mortgage; and in order to require Lessor to join in the execution of the permanent mortgage, Lessee must comply with the following requirements with reference to such permanent mortgage;

(1) The lender mortgages must be an institutional lender; and the term "institutional lender" means a bank, a trust company, an insurance company or a Federal Savings and Loan Association; and

(2) The said permanent mortgage shall bear interest at a rate not to exceed the then prevailing institutional rate and shall be of the self-liquidating type, being payable at regular intervals with "constant payments" applicable first to interest and then to principal with a maturity date not less than ten (10) years after date.

(3) The amount of the mortgage shall be not in excess of seventy percent (70%) of the sum total of the "cost of the building", as the term is now about to be defined, should an apartment house be constructed or 80% of the valuation of each apartment should a condominium be constructed.

(4) The "cost of the building", as the term is used herein, means the total bona fide cost of construction and it does not mean finance costs, architect's fees or costs of furniture or furnishings; the term "cost of the building" meaning the actual bona fide cost of constructing the building and the parts of it which by their nature immediately become

incorporated in the job and become real property and permanent improvements, as distinguished from being or remaining personal property; provided, however, that air-conditioning systems, elevators, boilers or other similar integral parts of a building which might, but for this proviso, be considered real property or personal property, shall be considered real property and parts of the building, and the costs of them will be considered a part of the "cost of the building".

E) Both the temporary construction mortgage and the permanent mortgage shall contain a provision that the Mortgagee recognizes it to be the fact that the joinder by Lessor in the mortgage is purely for the purpose of creating a mortgage lien against the property encumbered by it and that no personal liability shall ever attach to or personal judgment be sought against Lessor by reason of Lessor's joinder in the mortgage; and, therefore, Lessor need not join the note which the mortgage secures.

F) If Lessee should default in this lease before the entire fund shall have been disbursed and if by reason of such default the Lessor cancels the lease, then not only all improvements theretofore placed on the premises by the Lessee but also the then undisbursed balance of the building fund and the benefits of the commitment for the permanent mortgage shall all become the property of the Lessor, not as a penalty but as liquidated and agreed upon damages accruing to the Lessor by reason of the Lessee's default and the consequent cancellation of the lease. All provisions contained in this lease for liquidated and agreed upon damages which will accrue to the Lessor if the Lessee defaults and if, as a result of such default, the Lessor cancels the lease, are bona fide provisions for liquidated and agreed upon damages and are not intended to be, nor shall they ever be construed as being forfeitures or penalties, the parties understanding that if the Lessee defaults and if, as a result of such default the Lessor cancels the lease, the Lessor will be subjected to substantial economic damage through the loss of a long-term lease, which damage will be extremely difficult, if not impossible, to compute and the parties, therefore, have agreed upon all provisions for liquidated and agreed upon damages in order to obviate burdensome and difficult litigation which might otherwise ensue.

G) With reference to the escrow building fund hereinabove referred to, it is understood and agreed by and between the parties as follows:

(1) The fund shall be administered by an Escrow Agent or Disbursing Agent which shall be a bank or a title insurance company or a Federal Savings and Loan Association selected by the Lessee, the costs and fees for which escrow shall be paid by the Lessee; and

(2) Lessee shall pay into the fund the amounts necessary to effect payment for the total cost of the building. For the purpose of computing the sufficiency of the fund:

(a) The amount of the temporary construction mortgage shall be counted whether it is paid into the fund or whether it is simply committed to be paid through the fund upon the requisition of the Disbursing Agent; and

RE R148 page 14

(b) There shall also be counted as though it were in the fund, the difference or "spread" between the temporary construction mortgage and the permanent mortgage; that is to say: the amount by which the permanent mortgage may exceed the temporary construction mortgage; and

(c) There shall also be counted the sum total of any partial waivers and/or paid bills executed by contractors, subcontractors or materialmen; in any such waivers the said contractors, subcontractors or materialmen shall waive their respective liens for specified amounts and agree not to look to the fund but to the personal credit of the Lessee for the payment of the waived portions; provided, however, that the aggregate of such waived and/or paid portions cannot exceed twenty percent (20%) of the total cost of building; provided further that in any such waivers the persons executing them must agree to wait for payment of the waived portions until a time which is no sooner than the time when final payment under the construction contract or contracts will accrue and come due; and

(3) Instead of creating the fund or providing for payment through the fund in either of the manners hereinabove referred to, the Lessee may, at Lessee's option, procure a payment and performance bond of and from the General or Prime Contractor, with surety by a corporation authorized to act as surety under the laws of the State of Florida and subject to the reasonable approval of Lessor; and when such bond is procured it may be delivered by Lessee to Lessor and thereupon the need for the creation of the fund shall be deemed waived.

(4) All of the foregoing portions are satisfied when the mortgage procured is from a savings and loan association.

(5) In any event, payments to contractors, subcontractors and materialmen shall be made through the Escrow Disbursing Agent and only upon the following showings (or such of them as may be relevant or applicable) for the purpose of appraising any party in interest of the monetary status of the job:

(1) Excepting where the building fund includes the proceeds of a mortgage made by an institutional lender (in which event the institutional lender may be the sole disbursing agent), the fund shall be held in escrow by the Escrow Disbursing Agent and it shall be paid out upon the joint instructions of Lessor and Lessee; but Lessor covenants and agrees with Lessee that Lessor will at all times be available to effect disbursements instructions and will join in them when Lessee is

RE 8148 MAR 15

entitled to require disbursements from the fund in accordance with the terms of this lease. If Lessor does not see fit to become one of the parties entitled to sign for disbursements, such fact shall not excuse Lessee from the necessity for seeing to it that withdrawals from the fund are made only when this lease is maintained in good standing by Lessee and particularly as this lease relates to the administration of the building fund; nor shall the fact that once Lessor foregoes the requirement that Lessor be one of the signing parties in connection with the disbursement of the fund preclude Lessor subsequently from making the requirement that thereafter Lessor be made one of the parties who will give disbursement instructions to the Escrow Agent; and

(2) Lessee shall be entitled to require disbursements from the fund to the Contractor, subcontractors, materialmen or laborers on the job as the payments are earned. Before any withdrawals are made, Lessee must give Lessor a written breakdown dividing the job into its subportions and allocating to each subportion of the job, which allocations will be confirmed from time to time by Lessee as subcontracts are awarded; and

(3) Upon the occasion of each requisition upon the fund, the amount sought in such requisition shall be itemized so as to be related to the breakdown. Upon the occasion of the first requisition upon the building fund, such requisition need not be accompanied by any papers of substantiation, such as partial waivers and/or receipted bills showing the application of the moneys received on the immediately prior requisition; but after the first requisition or draw upon the building fund, each subsequent requisition shall be accompanied by papers of substantiation showing the payment of the items covered by and included in the immediately prior requisition; and the papers of substantiation shall always be such as to enable Lessor to be apprised of the fact, at all times, that the undisbursed portion of the fund, measured by the allocations in the breakdown, are no greater in each instance than the balance which must be paid to each subportion of the job in order to pay the job out through conclusion; and

(4) At any time when the undisbursed balance of the building fund is insufficient to pay out each subportion of the job, the amount of any such deficit shall be paid by Lessee into the building fund immediately upon the written demand of Lessor. The breakdown shall always conform to the actual facts and it shall not be inconsistent with the principle that the breakdown is designed to accomplish; and

(5) Simultaneously with the final payment to each subportion of the job, Lessee must procure and deliver unto Lessor a duplicate original or the original of the final waiver acknowledging payment in full and waiving the lien which might otherwise have existed against the job to the end that when payments shall have been completed Lessor may be in possession of evidence that there are no lien claims or potential lien claims outstanding; and upon the occasion of such final payment, Lessee first must procure and deliver unto Lessor the Contractor's affidavit which, by the law of Florida, is a condition precedent to the right of a General or Prime Contractor to receive final payment; and if after final payment, made upon compliance with all of these provisions, there remains any undischarged balance in the fund, then such undischarged balance shall be paid to the Lessee; and

(6) If the temporary construction Mortgagee or the Escrow Agent or the Disbursing Agent of the building fund requires it, Lessee or Lessee's General or Prime Contractor will enter into a construction loan agreement (and, if it be required, Lessor will consent to the terms of such construction loan agreement) in such form as may be required and prescribed by the temporary construction Mortgagee or the Escrow or Disbursing Agent of the fund, provided such construction loan agreement, in effect, prescribes the same mode of testing the sufficiency of requisitions and of the fund as is contained in this Article.

(7) Notwithstanding the provisions set forth above, it shall be deemed proper for the Disbursing Agent to make construction advances without the approval of the Lessor so long as prior to making such advances, the Disbursing Agent will certify to the Lessor that there are sufficient funds remaining in the Escrow Building Fund after said advances in an amount sufficient to complete the construction and sufficient to pay all bills which could give rise to mechanics' or statutory liens.

(8) With further reference to "the subordination privileges", it is understood and agreed by and between the parties that the intent of these provisions is to put Lessee in the position where, upon the exercise of the subordination privilege or privileges, the resulting mortgage or mortgages will be a first lien or liens of record against the fee simple title to the demised property and, therefore, Lessor covenants and agrees with Lessee, on behalf of Lessor and on behalf of all persons who may hereafter claim under, by, through or against Lessor, that it is and will be the duty of Lessor and all persons who may hereafter claim under, by, through or against Lessor, to see to it that upon the occasion of the exercise by Lessee of either or both of the subordination privileges contained in this Article, Lessor will, when Lessee becomes entitled to it, join in the execution of the mortgage or mortgages which represent and accomplish the exercise of the subordination privilege or privileges and will see to it, at such time, that the said mortgage or mortgages are successively first liens against the fee simple title to the demised premises; and "First Liens" means that it will be the duty of Lessor and all persons who may hereafter claim under, by, through or against the Lessor, to see to it that joinder by Lessor in such mortgage or mortgages creates a mortgage lien or liens which will be superior to the claim or interest of Lessor and to the claim or interest of any persons who claim under,

EE 8148 pg 17

by, through or against Lessor (as distinguished from any claim or mortgage created solely by reason of the act of or claim against Lessee or persons who claim under, by, through or against Lessee). It is understood and agreed that Lessor shall cooperate in every way possible with Lessee to expedite completion of the institutional mortgage financing contemplated herein. After Lessee has complied with the terms herein, Lessor covenants and agrees to execute all documents necessary to complete the mortgage loan financing within ten (10) days after receipt of written notice to do so.

ARTICLE XIV

PROVISIONS RESPECTING FURNISHINGS:

- A) All furnishings which lessee may bring upon and maintain in the premises shall be maintained by lessee in good and usable condition which is sufficient to enable such furnishings to be used for the purposes for which they were acquired; and lessee shall make all necessary repairs to or replacements of such furnishings.
- B) All such furnishings lessee may bring upon the premises shall be subject to the Lessor's lien for rent subject only to the mortgage created under the subordination privilege and to the terms of any purchase-money lien arrangements made with respect to the furnishings.
- C) Nothing in this article shall be deemed to apply to the personal furnishings and effects of any party who may become a condominium owner hereunder.

ARTICLE XV

DEFAULT CLAUSE:

- A) In case at any time default shall be made by lessee in the payment of the rent or in case of default in relation to liens, or if the lessee shall fail to pay any of the taxes or assessments herein provided or in case of the sale of said demised premises or any part thereof for non-payment of any tax or assessment, or in case Lessee shall fail to keep insured any building, buildings or improvements or shall fail to spend insurance money, or shall fail to build or rebuild, or if Lessee should fail to keep any mortgage having a priority over this lease in good standing, or if Lessee should fail to perform any of the covenants of this lease by Lessee to be kept and performed, then it shall be lawful for Lessor, at Lessor's election, to declare said demised term ended and to re-enter upon said premises and the building or buildings and improvements situated thereon or any part thereof, either with or without process of law, Lessee hereby waiving any demand for possession of said premises and any and all buildings and improvements then situated thereon, or Lessor may have such other remedy as the law and this instrument may afford, without election; and Lessee covenants and agrees that upon the termination of the said demised term, Lessee will surrender and deliver up the premises peaceably unto Lessor; and if Lessee shall hold the said premises or any part thereof one day after the same should be surrendered, then it shall be considered forcible detainer of the said premises and shall be subject to eviction or removal, forcibly or otherwise, with or without process of law.
- B) Though this be a long-term lease, the parties understand and agree that the relationship between them is that of landlord and tenant and Lessee specifically acknowledges

EE 8148 REV 18

that all statutory proceedings in the State of Florida Regulating the relationship of landlord and tenant respecting collection of rent or possession of the premises accrue to Lessor hereunder.

C) Nothing herein shall be construed as authorizing Lessor to declare this lease in default; however, where the default consists in the nonpayment of rent until such nonpayment shall have continued for fifteen (15) days after written notice of such default shall have been given by Lessor to Lessee. Where the alleged default consists of some violation other than the nonpayment of rent, Lessor may not declare this lease in default until such violation shall have continued for thirty (30) days after Lessor shall have given the Lessee written notice of such violation; provided, however, that nothing herein contained shall be construed as precluding Lessor from having such remedy as may be necessary in order to preserve Lessor's rights and interest in the premises and in this lease even before the expiration of the grace or notice periods provided for in this paragraph if, under the circumstances then existing, the allowance of such grace or the giving of such notice would prejudice or endanger the rights and estate of Lessor in this lease and in the demised premises, such as for the prevention of waste or to abate a nuisance or for any activity which would destroy the value of the land or improvements; and provided further that the provisions set forth hereinabove relating to the consequences of the failure of Lessee to keep and maintain in good standing the temporary construction loan or the permanent mortgage shall not be deemed inconsistent with the foregoing but shall be deemed to prevail over any and all of the foregoing. If the default consists in something other than the nonpayment of rent or taxes and if it is of such a nature that, with the exercise of the utmost good faith and due diligence by Lessee, it would require more than 30 days to do the things necessary to obviate or cure such default, then Lessee will not be deemed in such default hereunder as will authorize the Lessor to cancel the lease for such default if, within the 30-day period Lessee affords Lessor evidence of the fact that Lessee has made all necessary arrangements to cure the default and has caused the steps necessary to cure it to be commenced and if thereafter Lessee causes such curative steps to be carried through expeditiously and continuously to conclusion.

D) All default and grace periods shall run concurrently and not consecutively.

E) It is mutually covenanted and agreed that the various rights, powers, options, elections, privileges and remedies of Lessor contained in this lease shall be cumulative and shall not be construed as being exclusive of the other or exclusive of any rights or priorities allowed by law.

F) The right given to the Lessor in this lease to collect the rent that may be due under the terms of this lease by any proceedings or the right given Lessor to enforce any of the terms and provisions of this lease, shall not in any way affect the right of Lessor to declare this lease void and the term created hereby ended when default is made in the payment of rent or when default is made by the Lessee in any of the terms and provisions of this lease. If by reason of the Lessee's default the Lessor makes payment of any sum which Lessee should have paid, the Lessor may enforce the collection of said sum just as though it were additional rent then matured and were past due, plus interest at the highest legal rate.

G) If, by reason of the failure of the Lessee to keep and perform any covenant or agreement, under the terms of this lease, it becomes necessary for Lessor to employ an attorney, then Lessee will pay to Lessor all costs of court and reasonable attorney's fees, whether or not suit be brought.

H) In the event of the termination of this lease at any time before the expiration of the regular term created for the breach by Lessee of any of the covenants herein contained, that in such case all right, estate and interest of Lessee in this indenture and in the demised premises and all improvements, buildings and the Lessee's interest in all furniture, furnishings, fixtures and equipment then situate in the demised premises, together with all rents, issues and profits of said premises and the improvements thereon, whether then accrued or to accrue, and all insurance policies and all insurance moneys paid or payable thereunder, and the then entire undisbursed balance of any building error fund, and the entire undisbursed balance of any then existing joint bank account which may have been created in connection with the collection of insurance, and all of them, shall, without any compensation made therefor to Lessee, at once become the property of Lessor, not as a penalty for forfeiture but as liquidated damages to the Lessor because of such default by Lessee and the consequent cancellation of the lease, each of the parties acknowledging it to be the fact that for breach and the consequent cancellation of a long-term lease of this character Lessor will sustain substantial damage of such a character as to make it most burdensome and tedious, if not actually impossible, to ascertain with mathematical precision, and each of the parties therefor has agreed upon this provision for liquidated damages in the interest of obviating what would otherwise be burdensome and difficult litigation to maintain or to defend, as the case may be; and this provision for liquidated damages has been taken into account by both parties in fixing the terms of and the consideration for the making of this lease.

I) Lessee pledges and assigns to Lessor all rents, issues, profits which might accrue to Lessee for the use, enjoyment and operation of the demised premises; and that if Lessor, upon the default of Lessee, elects to file a suit, then Lessor may apply for the appointment of a receiver with the usual powers and duties of receivers and such appointment shall be made by such court as a matter of strict right to Lessor and without reference to the adequacy or inadequacy of the value of the property or to the solvency or insolvency of Lessee or to the commission of waste.

J) Anything to the contrary heretofore set forth notwithstanding, Lessor agrees that should the Lessee construct a condominium or cooperative apartment house upon or adjacent to the premises under such circumstances wherein the lien of this lease extends thereto and should the apartments, or any of them, be sold to third parties, that in such sales agreement to said third parties Lessee may divide the total amount due under this lease into portions corresponding to the value of each apartment and that such allocation shall, as regards any default hereunder for failure to pay the particular portion of the allocated rents or the taxes assessed against such particular property, be a default only against the specific apartment and shall not be considered a default in any manner against any other apartment purchaser who is current in making payment as to his allocated portion of such leasehold payment. Nothing contained in this provision shall in any way limit the power and right of Lessor to declare defaults for reasons other than the payment of rents and taxes nor shall it limit the right of Lessor to declare the condominium corporation in default for failure to make regular

collections and remittances of the individual apartment rentals as is provided hereinabove, or to declare the rent a common expense and invoice it against the individual condominium owners in the same manner as other common expenses, in which case Lessor shall enjoy all of the rights and privileges of enforcing the lien as are given by the condominium laws of the State of Florida.

ARTICLE XVI

LESSEE'S DUTY TO KEEP PREMISES IN GOOD REPAIR:

The Lessee will keep in good state of repair and in first-class condition any and all buildings and furnishings upon the demised premises. The Lessee will not permit any strip, waste or neglect of any building or personal property to be committed. Lessee will repair, replace and renovate the real and personal property as often as it may be necessary in order to keep the building or buildings and the personal property which is subject to the Lessor's lien in first-class condition and repair.

ARTICLE XVII

DEMOLITION CLAUSE:

A) Although it is Lessee's duty under the terms hereof to maintain any buildings and improvements on the demised premises in good repair, this shall not be construed as empowering Lessee to tear down and destroy any building or buildings hereafter on the demised premises or any substantial part thereof or to cause any item of major repair and reconstruction to be made unless and until Lessee:

- (1) Causes plans for the new buildings or the new construction to be prepared in full accordance with all applicable laws, building codes, zoning ordinances, statutes and regulations, and delivers the plans to the Lessor at least 30 days before the work is actually commenced; and
- (2) Furnishes Lessor with a Payment and Performance Bond with satisfactory corporate surety, guaranteeing completion of the work or, in lieu of furnishing the said bond;
- (3) Creates an escrow fund with any bank or trust company in Dade County, Florida, into which there shall be paid by Lessee the full cost of the work of repair and replacement, which cost shall be evidenced by the bona fide bid of a general contractor or the aggregate of the bona fide bids and estimates of subcontractors and materialmen, all of which evidence must be submitted by Lessee unto Lessor not later than 30 days before the work starts, which escrow fund will be utilized to pay for the work as it progresses upon the requisition of the Contractor and the certificates of an Architect supervising the work. The disbursement from such escrow fund will be made upon the written order of Lessor and Lessee, so long as the balance remaining

is the escrow fund is sufficient to cause the work to be carried through to completion and paid for and full and final waivers and releases are procured from all persons who furnish work, labor, services and/or materials to be job.

B) In any event, the work of reconstruction, repair and replacement must have a value not less than the value of the building or buildings or the portion thereof then being demolished and replaced and repaired.

C) For the purpose of this section of the Lease, no work will be deemed a "demolition" or a "major repair" unless it constitutes either the actual destruction of a building or a substantial part thereof or unless it constitutes a remodeling which, in substance, requires the tearing down of a substantial part of the building.

D) The expense of demolition shall be no part of the cost of any subsequent replacement or rebuilding. Any salvage resulting from the demolition shall belong to Lessee.

ARTICLE XVIII

ADDITIONAL COVENANTS OF THE LESSEE:

A) Lessee covenants and agrees with Lessor that the premises will be used for legal purposes only.

B) Lessee covenants and agrees with Lessor that no damage or destruction to any building or improvement by fire, windstorm or other casualty shall be deemed to entitle Lessee to surrender possession of the premises or to terminate this lease or to violate any of its provisions or to cause any abatement or rebate in the rent then due or thereafter becoming due under the terms hereof; and if the lease be cancelled for Lessee's default at any time while there remains outstanding any obligation from any insurance company to pay for the damage or any part thereof, then the claim against the insurance company shall, upon the cancellation of the within lease, be deemed immediately to become the absolute and unconditional property of the Lessor.

C) Lessee covenants and agrees with Lessor that nothing in this lease shall ever be construed as empowering Lessee to encumber or cause the Lessor to encumber the title or interest of the Lessor except as herein expressly provided in the Subordination Article.

D) Lessee agrees that at the termination of this lease Lessee will peacefully and quietly deliver possession of the premises and all improvements, including the furniture, furnishings, fixtures and equipment thereof, unto Lessor.

E) Lessor may encumber the fee simple title to the premises with a mortgage or mortgages irrespective of the existence of this lease; but such mortgage shall be subject in all respects to the terms of this lease and its lien may never be enforced as to render this lease inferior to and, therefore, subject to extinguishment by such enforcement, nor may its lien ever be rendered superior to the mortgage made or to be made pursuant to the Subordination Article. Lessee

RE R148 PAGE 22

has the power of mortgaging or otherwise encumbering Lessee's interest in this lease; however, any such mortgage or encumbrance shall be subject in all respects to the rights and claims of Lessor and the extinguishment of this lease shall, ipso facto, extinguish any of the mortgages or encumbrances placed on the Lessee's interest in this lease; provided, however, that nothing in this sentence contained shall be deemed to extend to or affect any mortgage created pursuant to and in accordance with the Subordination Article.

ARTICLE XIX

COVENANT OF QUIET ENJOYMENT:

A) Lessor covenants and agrees with Lessee that so long as Lessee keeps and performs all of the covenants and conditions, Lessee shall have quiet and undisturbed and continuous possession of the premises, free from any claims of Lessor and all persons claiming by, through, or under Lessor; but this undertaking shall not extend to any interruption in the possession of the Lessee occasioned by the failure of Lessee to keep in good standing any mortgage which may be created pursuant to the subordination privilege, nor shall it be deemed to extend to any interruption caused by any act or omission of Lessee.

ARTICLE XX

LESSOR'S RIGHT OF ENTRY:

A) Lessor or Lessor's agents shall have the right to enter upon the premises at all reasonable times and in a reasonable manner to examine the condition and use thereof; and if the said premises are damaged by fire, windstorm, or any other casualty which caused the premises to be exposed to the elements, then Lessor may enter upon the premises to make emergency repairs; such act shall not excuse Lessee from the obligation to keep the premises in repair; and the Lessee shall reimburse Lessor for the cost and expense of such emergency repairs.

B) If Lessee should default in the performance of any of the Lessee's obligations or covenants, then Lessor shall have a right to re-enter the premises; and the exercise of Lessor's right to re-enter the premises (whether accomplished with or without legal process) shall not be held to constitute such an election of remedies as will bar Lessor from the pursuit of any other remedies which accrue to Lessor under the law or under this lease, excepting to the extent specifically limited herein.

ARTICLE XXI

OPTION TO ACQUIRE FEE TITLE AND EXTENSION OF LESSOR'S TERM:

The Lessee herein has the right to develop an apartment or condominium apartment project on the property described in Exhibit 'A' attached hereto. While Lessee has agreed to a subordination privilege as provided herein, still, the prime consideration for the allowance of the development of this property has been its leasehold rights in the entire tract described in Exhibit 'A'. However, Lessor acknowledges that it may be a requirement of financing institutions and/or title insurance companies, that Lessor relinquish the fee simple interest therein. Lessor agrees that it will execute such WARRANTY DEEDS as may be required by such financial institu-

RE R148 MAR 23

tions and/or title insurance companies, to satisfy them in this matter. However, such agreement is given with the specific understanding that it shall never in any manner be a relinquishment of any right hereunder or of the security afforded by this lease. Therefore, should such requirement be imposed by Lessee, that the lien and the rights hereunder shall be considered to remain and the lien of this lease shall thereafter become a Common Charge and a lien against each and every of the condominium apartments erected on such property and shall be first in priority and effect to every right or lien, excepting and saving only those mortgage liens which may now or hereafter be granted in favor of an institutional first mortgagee securing a mortgage loan granted to the individual condominium owners. The parties agree that should the lien of this lease, its legal effect or any amount due hereunder ever be challenged by any party other than an institutional first mortgagee entitled to subordination as provided hereinabove as to such person and specifically as to any condominium apartment owner, the Lessor herein shall be considered to hold paramount rights to all lands described in Exhibit 'A' attached hereto.

The rights set forth above shall apply only to that portion of the lands described in Exhibit 'A' meeting the said requirements stated above. Any portion of the lands described in Exhibit 'A' not so deemed shall specifically remain included with the terms of this Long-Term Lease, and the parties will execute such documents and give such further assurances as may be necessary to confirm this fact.

ARTICLE XIII

MISCELLANEOUS PROVISIONS:

It is mutually covenanted and agreed by and between the parties as follows:

A) That no waiver of a breach of any of the covenants in this lease shall be construed to be a waiver of any succeeding breach of the same covenants.

B) That time is of the essence in every particular and particularly where the obligation to pay money is involved.

C) That all arrearages in the payment of rent or in the repayment unto Lessor of any sums which Lessor may have paid in order to cure a default of the lease shall bear interest from the date when due and payable at the highest legal rate.

D) That no modification, release, discharge, or waiver of any provisions hereof shall be of any force, effect or value unless in writing and signed by the persons who are then Lessor and Lessee.

E) That all covenants, promises, conditions and obligations herein contained or implied by law are covenants running with the land and shall attach to and be binding upon the heirs, executors, administrators, successors and legal representatives and assigns of each of the parties to this lease.

F) That this instrument contains the entire agreement between the parties as of this date and that the execution hereof has not been induced by either of the parties by representations, promises or understandings not expressed herein and that there are no collateral agreements, stipulations, promises or understandings whatsoever between the respective parties in any way touching the subject matter of this instrument which are not expressly contained in this instrument.

G) That when either of the parties desires to give notice unto the other or others in connection with or according to the terms of this lease, such notice shall be given by certified or registered mail and it shall be deemed given when it shall have been deposited in the United States Mail, postage prepaid, and return receipt requested, addressed as follows:

RE 8148 REG 24

FOR THE LESSOR: 2027 W. E. 120 Road
North Miami, Florida

FOR THE LESSEE: 7100 N. W. 17 Street
Plantation, Florida

K) That whenever and while the parties-Lessee consist of more than one person, then default by one of the parties-Lessee, excepting for payments of rent and taxes as provided in Paragraph XV hereinabove, shall constitute default by all of them.

L) That all references to the Lessor and the Lessee mean the persons, who, from time to time, occupy the positions, respectively, of Lessor and Lessee.

M) That Lessor is the owner in fee simple of title to the demised premises, free and clear of all liens and encumbrances, except taxes for the year of the lease. Lessor warrants that title to said premises is good, marketable or insurable, and will make same so particularly.

ARTICLE XXIII

MORTGAGE SUBORDINATION FOR INDIVIDUAL UNITS:

In connection with individual condominium mortgage loans to be granted by an institutional first mortgagee, Lessor agrees as follows:

1. That the Lessor's Lien Rights encumbering the condominium units established by the aforementioned Long-Term Lease are hereby subordinated to any and all mortgages encumbering individual condominium units now or hereafter held by an institutional first mortgagee (the "Mortgagee").

2. In the event any owner of any condominium unit hereafter makes application to the Mortgagee for a mortgage, the Lessor herein, its successors and assigns, herewith agree, if required by the Mortgagee, to execute any further document subordinating its rights to a mortgage in favor of the Mortgagee. It is understood that said lease is subordinate to any present or future mortgage. That this paragraph requiring the execution of an additional document would be supplemental to this Subordination Agreement.

3. In the event a Mortgagee becomes the fee owner of any of said condominium units, either by foreclosure of mortgage or by Deed in lieu of foreclosure or otherwise, then the Lessor agrees that any and all delinquent payments shall be cancelled and any and all liens that the Lessor may then have shall automatically be cancelled and that during the period the Mortgagee holds title to any such condominium unit, no payments shall be due or payable from the Association and no lien shall attach thereto.

4. Upon the sale by the Mortgagee of any such individual condominium unit owned by it as aforesaid, then the Lessor shall be entitled from the date of such sale to all the benefits to which the Lessor is entitled under the terms of said Long-Term Lease, but no assessment shall be made retroactive prior to the date of sale by the Mortgagee.

WHEREAS, subsequent to the date of execution of

WHEREAS, pursuant to the language of said law, it is uncertain as to the ultimate effect of said Amendment upon the existing contractual and lease rights of the parties, and

WHEREAS, because of these reasons, the parties hereto now wish to provide, contingent upon it being determined that said law does affect their relationships as LESSOR and LESSEE, to amend said Lease as follows:

NOW, THEREFORE, in consideration of the promises and of the mutual benefits and obligations contained herein and in further consideration of the sum of \$10.00 by each of the parties in hand paid unto the other simultaneously with the execution of this Agreement, receipt of which is hereby acknowledged, the parties covenant and agree as follows:

1. The parties do hereby ratify and confirm the Agreement of Sale or Lease hereinabove described in each and every respect as originally executed.

2. The parties covenant and agree, each with the other, that each of the terms and conditions of said Agreement of Sale or Lease are outstanding in full effect and enforceable and without default by either party and are hereby extended to December 31, 1976.

3. The parties LESSEE acknowledge that the improvements heretofore made on the central recreational parcel, Exhibit B-1 to the Lease, are in all respects in accordance with the general plan of condominium development for Omega Condominium project and accept same.

4. The parties LESSEE do hereby acknowledge that the unit owners of Omega Condominiums Nos. 1 through 4 presently have rights to enjoy the use of said units on a non-

exclusive basis with the unit owners who will take under the parties LESSEE hereto.

5. The parties LESSEE do hereby acknowledge the rights of the Contractor under the indemnity provisions of the Construction Agreements (paragraph 4(b), page 2), to control each condominium corporation until the stipulated level of sales has been made and ratify and approve said covenant and condition.

6. The parties hereto acknowledge the Management Agreement heretofore entered into with Omega Management Corporation under date of December 18, 1972, and acknowledge that said Management Agreement shall pertain to their respective condominium projects as well.

7. The parties acknowledge that the recreational facilities may service as many as 760 units and as few as 300 and approve and agree to that amount.

8. The parties agree that the present recreational facilities are in 100% satisfaction of the recreational requirements for Omega Condominiums Nos. 1, 2, 3 and 4. As to Omega Condominiums Nos. 5, 6, 7, 8, 9, 10 and 11, the present facilities represent 97% of the total recreational facilities bargained for, and upon the completion of the facilities described as "Pool 2", such application shall be 100% fulfilled.

9. In the event of any foreclosure of any superior mortgage or lien upon any unit which is the subject of this Lease or to which the lien of this lease extends, then said

lian shall not be extinguished but shall only be unenforceable as against the Mortgages with respect to that parcel's share of the rent and other exactions due and payable which mature and/or become due and payable on or before the date of the final judgment of foreclosure, or, in the alternative, on the date of delivery of the deed in lieu of foreclosure.

10. That contingent upon the events as heretofore stated, the parties agree:

(a) That if law no. 74-104, as passed by the Florida Legislature, having, in general, an effective date of October 1, 1974, as subsequently amended by Chapter 718, is determined to apply to the rights and obligations of the parties to this Agreement, then said Long-Term Lease shall be amended in the following particulars:

(i) The parties agree that the "Developer", as defined by said Statutes, is, in this case, the parties LESSOR.

(ii) The parties LESSOR acknowledge that this is a net-net lease and that the LESSOR has no obligation to construct any further improvements thereon or to furnish any personal property thereto other than the erection of a pool and deck area (Pool 2) at the completion of phases 5, 6 and 7 at the location per the plans presently existing therefor and the two Recreation Park areas.

(b) The parties hereto agree that if the provisions of Chapter 711.63(6), as amended by Chapter 718, apply to this lease requiring a 10-year interval adjustment, then the rent reserved in Article III of said Lease shall be increased by \$9.00

REC 7014 PAGE 323
RE 8148 PAGE 44

per month on January 1, 1979, and by a like sum of \$9.00 per month per unit on the 10th year anniversary date of said increase (i.e., January 1, 1989 - 99, etc.).

(c) The parties agree that if paragraph 711.61(7), as amended by Chapter 718, shall be deemed to apply to this Lease, then the option to purchase the leased property shall be for the first 10 years of the Lease, as follows:

(i) Studios	\$4,800
(ii) 1-bedroom apartments	\$5,110
(iii) 2-bedroom apartments	\$5,810

and said prices shall increase \$100.00 per year for each unit commencing the 11th year of the Lease.

The parties further agree that should said allocation be set aside, then the measure of value shall be by a capitalization of the current rent, using a 6% capitalization rate.

(d) The parties agree that the option to purchase provided in paragraph 7(b) of Section 711.63, as amended by Chapter 718, may be exercised as to the same quantum of property as contained in the bona fide offer from a third party or on a per unit basis.

ii. In each and every other respect, the form of Lease heretofore agreed to is ratified and confirmed.

IN WITNESS WHEREOF, the parties have hereto caused this Agreement to be duly executed at the time and place hereinabove set forth.

MANAGEMENT AGREEMENT

THIS AGREEMENT made at Plantation, Broward County, Florida, this 16th day of September, 1974, by and between:

SANFORD BISSON, as Manager for Omega Condominium Corporation Nos. 1 through N, inclusive, hereinafter referred to as the "CONDOMINIUM CORPORATIONS"

and

OMEGA MANAGEMENT CORPORATION, a Florida corporation, hereinafter referred to as "MANAGER"

WITNESSETH: That

WHEREAS, the CONDOMINIUM CORPORATIONS are non-profit corporations to be formed to sponsor the construction of nine (9) condominium buildings to be erected on a 38-acre tract of land located in Plantation, Florida, hereinafter referred to as the "Omega Condominium Tract" and to function as the operating entity for the owners of each of said condominium buildings,

WHEREAS, it is essential to the success of the project and the maintenance of values that all of the buildings in the tract be maintained and managed in a uniform and coordinated manner,

WHEREAS, said condominium buildings will be built over a span of years and require an interim coordination of management and maintenance until the completion of the project and the identification of each of the individual condominium unit owners and their opportunity to approve and/or participate in the management and operation of the entire condominium tract, and

WHEREAS, the MANAGER through its officers and employees has the requisite experience and skill to render first-class management services to a project such as this,

NOW, THEREFORE, in consideration of the mutual benefits and obligations contained herein, as well as the sum of Ten Dollars (\$10.00) by each of the parties unto the other in hand paid simultaneously with the execution of this Agreement, receipt of which is hereby acknowledged, the parties covenant and agree as follows:

1. The CONDOMINIUM CORPORATIONS do hereby hire MANAGER, and MANAGER agrees to be employed by CONDOMINIUM CORPORATIONS, jointly and/or severally, as an independent contractor for the purpose of managing and maintaining all the physical and operational facilities of the condominium structures to be erected on the Omega Condominium Tract, according to the legal description attached hereto as Exhibit 'A'.

2. Said services shall commence on the first day of occupancy of any condominium unit in the Tract and shall continue until terminated by mutual agreement of the parties; provided, however, that the CONDOMINIUM CORPORATIONS may, after completion of all of the units composing the Omega Condominium Tract, terminate this contract in the manner provided by Chapter 711, Florida Statutes, and provided, further, that MANAGER may terminate this contract on sixty (60) days notice prior to the beginning of any calendar year from and

after January 1, 1974.

3. MANAGER agrees to provide, but at the cost and expense of CONDOMINIUM CORPORATIONS, all requisite personnel, materials, tools and equipment to administer and maintain the Omega Condominium Tract. Such duties shall be those as are usually found in the management and maintenance of a first-class condominium project located in Dade or Broward Counties, Florida, and shall include, but not be limited to, the followings:

A. General management and supervision of all condominium buildings and areas.

B. Collection of funds, payment of bills, maintenance of books of accounts and rendering of reports on a quarterly basis.

C. Enforcement of existing rules and regulations. To this point, the CONDOMINIUM CORPORATIONS delegate to MANAGER their power to alter, amend or supplement the existing rules and regulations in MANAGER'S discretion.

D. Responsibility for the cleanliness, upkeep and appearance of the condominium buildings for all interior common spaces and all exterior surfaces.

E. Maintenance of all lawns, landscaping, roadways and other exterior features of the Condominium Tract.

F. Maintaining security.

G. Management, maintenance and control of all recreational facilities under the long-term leasehold, including the hiring of recreational directors and other counselors as well as the physical maintenance and upkeep of these facilities and the providing of a planned program of community activities as may be reasonably required by CONDOMINIUM CORPORATIONS.

H. Acting as servicing agent for the collection of all monthly maintenance charges, ground lease payments and other common charges.

I. As an additional service, and for a fee not to exceed six percent (6%), to handle the leasing and/or resale of individual condominium units.

4. For these services, CONDOMINIUM CORPORATIONS agree to pay to MANAGER an amount equal to six percent (6%) of all maintenance funds, ground lease payments and other related payments to be handled by MANAGER, pursuant to the terms and conditions hereof. This amount shall be added to the carrying charges as a common expense, and shall be a proportionate lien against each of the condominium units pursuant to a schedule of maintenance charges as promulgated each year.

5. At the commencement of each calendar year of this Agreement, commencing January 1, 1974, or such other times as may be necessary, the parties shall meet to review each and every of the duties CONDOMINIUM CORPORATIONS wish MANAGER to perform. MANAGER shall, at the time of said meeting, produce a statement setting forth in detail and with accuracy the operating expenses for the preceding year, as well as anticipated operating expenses during the forthcoming year. Should CONDOMINIUM CORPORATIONS require additional services and/or should the services, which have been performed under this Agreement, be demonstrated to have risen in cost, then the parties shall make such adjustments in

RE 8511 88285

the monthly maintenance charges as shall be adequate to cover all such charges as well as to provide the operating reserve set forth in the certificate of incorporation of the CONDOMINIUM CORPORATIONS. However, such reserve shall NOT be required during any period of time that this Management Agreement is in effect, provided that the initial deposit of \$100 per unit is made prior to the occupancy of each such unit. The parties agree that the charges and fees for the year 1973 shall be those as set forth in Exhibit "B" attached hereto. All of the rights and duties of the CONDOMINIUM CORPORATIONS shall be discharged by a sub-committee of the individual Boards of Directors not to exceed two persons.

6. At all meetings between the MANAGER and the CONDOMINIUM CORPORATIONS, each of the individual CONDOMINIUM CORPORATIONS shall be entitled to a vote in the percentage which the number of units in their Condominium Corporation bears to the total number of units in the entire Omega Condominium Tract. Each corporation shall be entitled to cast its votes regardless of whether its units have been completed and/or occupied.

7. Nothing contained herein shall make MANAGER liable for any accident, injury or damage. MANAGER shall, at all times, carry liability insurance as well as workmen's compensation and insurance in amounts as required by CONDOMINIUM CORPORATIONS but not to exceed \$250,000/\$500,000 for public liability and CONDOMINIUM CORPORATIONS and their unit owners, guests and licensees shall look solely to said insurance for any recovery and all insurance shall be without right of subrogation or contribution.

8. Should any dispute arise hereunder, then it shall be resolved by arbitration. In no event shall any dispute give the CONDOMINIUM CORPORATIONS or their unit owners the right to withhold any payments. The parties shall attempt to appoint an arbitrator who is a professional Property Manager doing business within the 50 mile radius of Fort Lauderdale, Florida. If the parties cannot agree on one arbitrator, then each shall appoint one arbitrator with such background experience and the two arbitrators shall, in turn, appoint a third arbitrator who shall likewise have a similar background. The decision of the majority of the arbitrators shall be binding upon the parties and costs and fees for the arbitration shall be allocated as set by the arbitrators.

9. MANAGER shall procure all insurance required by the terms of the condominium documents and the various institutional first mortgages. It shall not be responsible for any individual unit owners' insurance.

10. The MANAGER is empowered to make expenditures pursuant to the budgets as promulgated from time to time together with such emergency expenditures as may be necessary to prevent the loss of life and/or property. All items in excess of \$500 not specifically provided for in the budget shall be authorized by the CONDOMINIUM CORPORATIONS prior to incurring said obligation.

11. All communications between individual unit owners and MANAGER shall be through their respective Condominium Corporation unless otherwise provided for by the Rules and Regulations. Each such communication shall be transmitted by the CONDOMINIUM CORPORATION to the MANAGER

with the representations and/or covenants of the Condominium Corporation Board of Directors.

RE: OMEGA CONDO NO. 9 / LEGAL QUESTIONS

From: Raymond Piccin <piccin@essoc-law.com>
To: mbakalar@essoc-law.com; ahr7501@yahoo.com
Date: Friday, December 7, 2018 03:15 PM EST

Dear Max:

I reviewed the Association's governing documents, and I did not find any leasing or pet restrictions.

The right to lease one's own real property is an inherent right that is implied in the law.

As such, the Association cannot impose leasing (or sale) restrictions unless such restrictions are expressly stated in the Association's governing documents AS APPROVED by the membership. Leasing restrictions passed by the Board and included solely in the Rules and Regulations will not suffice.

Since the Association's governing documents do not contain any such restrictions, AS APPROVED by the membership, the Association simply cannot enforce any leasing restrictions.

We can certainly prepare a proposed Amendment to the governing documents, but such Amendment will have to be approved by the Membership.

Pet restrictions work a little different. Unlike leasing rights which are an inherent right implied by law, pet restrictions do not enjoy such inherent rights.

As such, the Association can pass pet restrictions in its Rules and Regulations WITHOUT Membership approval.

However, I strongly advise against such method.

Pet restrictions are controversial and are bound to cause much consternation in the Association's Membership.

Having the Membership approve pet restrictions as part of an amendment to the Governing Documents is a much better means of garnering cooperation from the Members thereby avoiding costly disputes.

We can also prepare a Pet Restriction amendment for Membership approval should the Board decide to go such route.

Please let me know how you would like to proceed.

Best regards,

Raymond A. Piccin, Esq., J.D., LL.M., M.B.A.

Can the condominium or cooperative board charge me a fee for copies of official records that I have requested?

Can the condominium or cooperative board charge me a fee for copies of official records that I have requested?

Upon inspecting the official records of the association, a unit owner may obtain copies, at the reasonable expense, if any, of the unit owner. Further, the association must maintain an adequate number of copies of the declaration, articles of incorporation, bylaws, and rules, and all amendments to the foregoing, as well as the question and answer sheet and, in the case of condominium associations, year-end financial information, on the condominium and cooperative property to ensure their availability to unit owners and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the documents. Additionally, an association must allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association's providing the member or his or her authorized representative with a copy of such records. The association may not charge a member or his or her authorized representative for the use of a portable device. The association may also offer the option of making the records available to a unit owner electronically via the Internet.
